Alleged Assault by a White Man.

A colored woman named Jennie Bell, wife of John Bell, reached this city on the eleven o'clock electric train last night, and upon alighting at Washington street told Officer Young she had been assaulted by a white man on the train. She did not know the name of the offender. She told the officer that she was on her way from Arlington, and that the man began to annoy and assault her at Del Ray and continued to do so until the train reached Washington street, where she left the train to get away from him. She said she was riding in car No. 18. Officer Young is investigating the matter.

Two Negroes Fined.

Among the cases before Mayor Simpson this morning was that of two colored individuals named James Tobbs and Clarence Anderson. Tobbs was charged with cutting the latter on the left eye, neck and left hand. It seems that Anderson entered a house in the extreme northern part of the city where a colored woman named Gertrude Washington was sleeping and threw her out of a bed and slapped her. Tobbs rents the house and he attacked Anderson for his ungalant conduct and during the fight Anderson received the injuries described above. They were fined \$5 each. The arrests were made by Officer Smith.

Shot a Dog.

Some excitement was caused in the southeastern portion of the city between six and seven o'clock yesterday evening by a young man shooting a dog belonging to a resident of south Lee street. The animal was seriously wounded, though it is still alive. The owner of the dog had the young man arrested and the latter in his defense this morning in the Police Court said the dog attacked a canine belonging to him and he shot it in order to save his dog. It could not be proven that the animal shot was vicious, nor that it is its wont to attack other dogs, and the young man was fined \$5.

A carrier pigeon went to the residence of Mrs. King yesterday. It bore a tag marked "B 18718."

The Market.

The market this morning was well stocked with country produce, and prices of some articles showed a weakening tendency. Green corn, however, was in an advancing stage. Butter sold at from 20 to 25c per pound. Eggs were unchanged. Peaches were in evidence, but there will be no plethora this year. Apples were abundant and fine-looking. Grapes had made their appearance. It is said that this fruit will be abundant this year, as will also apples. About an average number of buyers were in attendance.

One of the Combatants Fined.

As has been stated in the Gazette, a quarrel of young men broke the stillness of last Wednesday night by engaging in a row. It was after twelve o'clock when the ball was opened at the intersection of Gibson and Royal streets. A bottle was thrown during the fracas and some unconventional language used. Officers Roberts and Nicholson apprehended the belligerents and this morning one of them was fined \$5 by the Mayor. The other three could not be identified by the witnesses.

After Unlicensed Teams.

Officer Young was engaged today in apprehending certain persons from the rural districts who bring teams to this city and follow the occupation of common carriers without taking out licenses. He succeeded in finding two delinquents and has the names of eight or ten others. Mayor Simpson has directed the officers to apprehend all persons who may be found working teams without licenses.

The Excursion Monday.

St. Mary's Church excursion, under the auspices of the Young Men's Sodality Lyceum, to River View on Monday next, promises to be one of the most successful and pleasant of the season. Every arrangement has been made and everything which can in any way add to the comfort of those who are to patronize the excursion has been anticipated.

A Sure Cure for Diarrhoea.

Coming as it does, in the busiest season, when a man can least afford to lose time, a sure and quick cure for diarrhoea is very desirable. Anyone who has given it a trial will tell you that the quickest, surest and most pleasant remedy in use for this disease is Cham berlain's Colic, Cholera and Diarrhoea Remedy. There is no loss of time when it is used, as one or two doses of it will cure any ordinary attack. It never fails, not even in the most severe and dangerous cases. For sale by Richard Gibson.

The pure, unadulterated Witch Hazel is used in making DeWitt's Witch Hazel Salve, which is the best salve in the world for cuts, burns, bruises, boils, eczema and piles. The popularity of DeWitt's Witch Hazel Salve, due to its many cures, has caused numerous worthless counterfeits to be placed on the market. The genuine bears the name of E. C. DeWitt & Co., Chicago. Dr. Allen R. Thompson, of Troy, N. Y., committed suicide at 7 o'clock this morning by cutting the right jugular vein in his neck in the Edgemere Inn, Asbury Park, where he had been a guest for two months, with his sister. Dr. Thompson was about 35 years old and was county clerk of Rensselaer county, New York. An odd feature of the occurrence is the fact that the knife cannot be found.

The jury in the Humbert case in Paris this afternoon returned a verdict of guilty, with extenuating circumstances. Madame Therese and Frederick Humbert were each sentenced to five years' imprisonment at solitary confinement; Romaine D'Aurignac to three years and Emile D'Aurignac to two years.

A SLAP AT THE ADMINISTRATION.—The G. A. R. encampment before adjourning at San Francisco yesterday unanimously adopted the following resolution:

"Resolved, That we congratulate that splendid soldier, exemplary commander and patriotic citizen, Gen. Nelson A. Miles, upon his attainment of a distinguished and honorable retirement after a matchless record as a soldier of over 42 years' service, without just criticism of his official conduct, which began as a lieutenant in the Twenty-second Massachusetts Infantry, progressing by the brightest grade of heroic patriotism from Manassas to Appomattox, during the greatest of all civil wars, from 1861 to 1865, and illuminating this record by his great military achievements as a successful Indian fighter and again as a great and judicial military disciplinarian and organizer."

"SAM" PARKS CONVICTED.—Samuel J. Parks, the labor leader, who has been on trial for several days in New York, charged with extortion in demanding and receiving money from various employers under threat that he would call strikes, was found guilty last night. The jury was out about four hours. The assistant District Attorney asked that the prisoner be remanded for two weeks in order to dispose of other indictments against him. To this counsel for the prisoner demurred, and Recorder Goff remanded him until Monday, when, should sufficient evidence be presented by the District Attorney, he will consider the question of a further postponement. The penalty for the offense of which Parks was convicted is imprisonment for not more than five years.

Killed Her Husband.

Wilkesbarre, Pa., Aug. 22.—In a distressing tragedy at Lake Cay, near here, this morning, Jacob Wilsey, a farmer, is dead from a blow struck by his wife in an effort to save his life. Wilsey attempted to force a big shepherd dog into a barn when the animal turned on him and a desperate battle ensued. The man called to his wife and she secured an axe and went to her husband's aid. The woman swung the weapon with all her might, missed the dog and struck her husband on the leg, severing an artery. He bled to death before a physician arrived.
